PRINCIPAL MESSAGE

Kia ora Whanau.
Welcome back. I hope you and your tamariki enjoyed the Queen's Birthday break.

As we start Week 8 with almost 80% of our tamariki coming to school, I look forward to all that the following five weeks of Term 2 holds.

While in Auckland, I met briefly with Gerry, who has sent up over 20 boxes of clothing, shoes etc, that we hope to give away before the end of this term. Our tamariki are also keen to hold another Market Day, with funds going to school trips.

We hope you will enjoy our redesigned newsletter format. Thank you to Shontelle Wihongi for putting it together. Whanau can access our school newsletters online (website / Facebook) or collect a paper copy from our school office.

Nga mihi mahana.
S.Toapuho
Principal

SCHOOL GARDEN

There are many benefits for growing a school garden. Last week our students got into weeding and developing our vegie and flower garden. A huge thank you to Robyn Easterbrook for her donation of plants and for spending time with students in the garden.

Belated birthday wishes from Te Horo School to our students with birthdays in May:

- 4 Ken Rakich
- 5 Kingi Katipa
- 7 Rina Osborne-Paul
- 8 Hau Peita
- 15 Levi Dunn
- 28 NJ Rapana

STUDENT AWARDS 28 May 2020

Excellence Awards

- Tivinia Peita
- Priya Luke
- NJ Rapana
- Levi Dunn

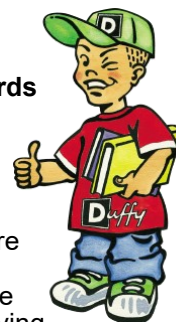

Effort Awards

- Chance Rapana
- Rina Osborne-Paul
- Aria-Jade Peita

Books in Homes Awards

- Brooklyn Wilson
- Kohi Wetere
- Wiremu Henare
- Hare Pira-Waa

First Day Monday 20 July
Last Day Friday 25 September

Term Four

First Day Monday 12 October
Last Day Friday 18 December

TERM TWO DATES

Year 7&8 Technology 15 June
BOT Meeting 18 June
Year 7&8 Technology 29 June
Market & Giveaway Day 3 July
Last Day 3 July

Learning at School

JUNIOR ROOM

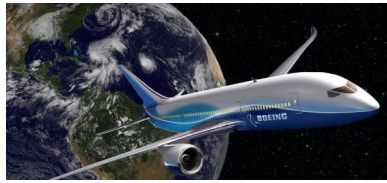

D for Donuts

Donuts are round. Donuts are yum.
They have lots of sprinkles.
By Moses Tohu

MYSTERY SCIENCE

Each week, Room 2 finds the answer to a science question.

Question: Why can't air planes fly to space? There is no air in space. Planes need air and wind to fly. By Matetumoana Henare.

T for Trifle

My trifle has sponge cake, black berries, custard, whipped cream, bits and pieces of mango and chocolate.
By Hare Pira-Waa

B for Bubbles

The bubbles burst all over my page. By Aria-Jade Peita
The big, beautiful bubbles moved around each other. By Levi Dunn
The bubbles were big like balloons. By Ruamahau Ranui
Big bubbles. By Samuel Parore

SENIOR ROOM

Technology Challenge—Balloon Propelled Car

Today we had a challenge to make a balloon propelled car.
We needed to make sure we were cutting correctly, measured properly and had patience.
My design was a car made out of trash. Also, it was made out of recycled materials.
I had a hard straw, bendy straw, tape, bottle, 4 bottle caps, balloon, skewer, vivid marker and a ruler.
When I made it, it was a failure. I was using 2 halves of a skewer for my axles.
When I tested the car, it didn't move. My balloon had a hole.
My balloon propelled car was fun to make. The best part I liked out of my car was the balloon because it looked colourful.

By Priya Luke.
